

Welcome to the YORWW Bible Academy!

*Study to shew thyself approved unto God,
a workman that needeth not to be ashamed,
rightly dividing the word of truth.*

(2 Timothy 2:15 KJV)

Greetings To All Prospective Members of the LivingWatersForum 90-Day Online Bible Study Course!

At this time, we certainly want to express our genuine appreciation for your interest in joining us here at the **YORWW Bible Academy** for a discussion of the "deep things of God" and a close scriptural analysis of bible prophecy relative to Jehovah's Witnesses as a people and nation, Mystery "Israel" of our time. Welcome! -- **1 Corinthians 2:10**

In short, the **YORWW Bible Academy** [YBA] is an online bible study course, especially designed to give God's Name People (Jehovah's Witnesses) a correct understanding of bible prophecy, and set up to dutifully advise them of the key role they play in this prophetic drama as "apostate" Modern Day "Israel" of bible prophecy. (Isaiah 10:6) That being the case, if you are visiting us for the first time by chance, and are NOT familiar with the beliefs of the Jehovah's witnesses per say, please be advised all our discussion boards have been set up *especially* for Jehovah's Witnesses to deal at length with their unique beliefs, biblical teachings and precepts taught currently among their number. In other words, the **YORWW Bible Academy** is primarily set up to correct those erroneous views held by Jehovah's witnesses and only them.

(To get more detail information on the purpose of the **YORWW Bible Academy**, please see the link: [YORWW Bible Academy -- Our Objective.](#))

That being said before registering with us, we wanted to tell you a few things about the YORWW Website System, that has been set up for your convenience. For example did you know, the YORWW Bible Academy [YBA] itself is actually a complex of six (6) websites, all joined together? Yes, that is the case. For your information, these six (6) websites are respectively:

(1) YORWW Stairway To Heaven [YSH], which is designed especially for all persons of interest who wish to gain special insight into our unique belief system, and especially our *signature teaching* itself,

YORWW Congregation

[God's "Sacred Secret" Revealed In The "Scapegoat" Covenant](#), which is based upon the scriptural text of **Leviticus 16:10**,

(2) [SingNewSong Discussion Board](#) [SNS], which is designed especially for all persons of interest who are OUTSIDE of the organization of Jehovah's Witnesses, and who have no religious affiliation, commitment or preference thus far, and humbly wish to learn our new message,

(3) [CrossingEuphrates Discussion Board](#) [CE], which is designed exclusively for baptized, dedicated Jehovah's Witnesses who humbly wish to learn this new message,

(4) [LivingWatersForum](#) [LWF], which is the actual 90-Day Online Bible Study Course itself for ALL persons who have completed study at either SNS or CE Boards,

(5) the [YORWW Bible Commentary](#) [YBC], a chapter-by-chapter coverage of the entire bible with full commentary and in-depth analysis provided,

(6) and finally the book website itself called [theREPORTbook.com](#) which provides detail information on the book and a place to get the book/ conveniently within the privacy of your own home.

As a participating member at either of our discussion boards, we always look forward to receiving your input, personal observations and comments with us here at YORWW Bible Academy [YBA], doing as Paul said, to "upbuild" and "encourage" and to "incite to love and fine works" that bring praise to our Heavenly Father, Jehovah...as any congregation should do. -- Hebrews 10:24, 25

Our reason for putting this special blog ([YORWW Rules Page](#)) on the net, was to quickly discuss a few areas of concern for us, and to acquaint you with our special guidelines for participation, so as to let you know BEFORE starting the 90-day bible study program, *exactly* what will be expected of you as a registered member. In this way for the very first time, you are now becoming acquainted with the unique concept of an [EARTHLY JERUSALEM OF BIBLE PROPHECY](#) ... an **AWESOME** structure of God's making, and certainly one that must be respected at all times!!! -- Please see Leviticus 19:30; Hebrews 12:21, 22.

So today, you are being introduced to the *idea*, yes the *unique concept*, of a "New Jerusalem" God's Grand City (**Jeremiah 25:29**) upon earth, just as Jesus promised at **Matthew 6:10**. To be sure, this is the Grand "City" that all upon earth will have to fully recognize, as "God's Law goes forth" from it, for the benefit of all obedient mankind. Therefore, because of the *great significance* of this particular situation you are now facing, yes, the information you are about to embark upon and give your most serious consideration to, we hope, will indeed successfully acquaint you with this new, *unique concept*, that is [New Jerusalem Upon Earth As God's Visible Kingdom ... For The Benefit Of All Obedient Mankind!](#) Praise Jah!!! -- Please see Genesis 22:18; Isaiah 2:2-4; Micah 4:1-4; Zechariah 8:20-23.

ACADEMY RULE 1:

Do You Have Your Own Personal Copy Of The "Report" Book Volume I?

Just as one would need his or her own personal copy of a college textbook when attending an institution of higher learning like a college or university, the same would be true of ALL who wish to participate in the Special Online Bible Study Course featured at the YORWW Bible Academy [YBA].

YORWW Congregation

This means ALL STUDENTS wishing to enroll in LWF for the 90-Day Bible Study Program, *after* completing their studies with us at either SingNewSong or CrossingEuphrates Discussion Boards, must **obtain their own personal copy** of the school's textbook called **The "Report"** Volume I, before being accepted in the 90-Day Program at LWF. You must understand this, with no exceptions. (Those with special financial needs can write us at ASKYORWW@yahoo.com for immediate assistance in obtaining the book.) Indeed, this publication, we feel, has been lovingly provided by the YORWW Bible Academy [YBA] at a very *nominal cost* so that all could reasonably "afford" it. (Please see Leviticus 12:8; Ezekiel 46:7; Acts 11:29; Additionally, for more information on this topic, please see the article entitled: [Showing Proper Appreciation For Divine Truth.](#))

To be sure, by having your own personal copy of the YORWW Academy's textbook (**The "Report"** Book Volume I.) **BEFORE** you start the special 90-Day Bible Study Course at LWF, assures all students in attendance have the necessary background information to participate freely with the instructors and students present, on each topic of study under consideration. To be sure, the book provides much greater details of our special message, than is shown on our discussion boards. So then please keep in mind, it is a requirement for all students and participants on the 90-Day Online Bible Study Program at LWF, to have their own personal copy of this book before they enroll.

ACADEMY RULE 2:

How Should We View Written Materials And Essays Taken From The YORWW Bible Academy?

When one is accepted as a member of the YORWW Bible Academy, one of the first things we respectfully ask all Student-Cadets here at LWF is to, **NOT send printed articles from Living Waters Forum out to persons of interest who are not Academy Members** as of yet. This is mainly because we feel the average Jehovah's Witness or person of interest needs *special preparation* to fully understand and digest this unusual written material. After all, you personally took the initiative and made the effort to join Sing New Song yourself, isn't that true? Also, you were a registered member of SNS or CE discussion boards for some time, getting to know the YORWW Staff, before being admitted at LWF for the 90-Day Course, isn't that true? Also, no doubt you had much opportunity to ask many questions and read many articles while at SNS or CE Discussion Boards, before being admitted to LWF, right? Therefore whether you realize it or not, you were *especially prepared* for the articles and subject matter at YORWW Academy, as SNS and CE Discussion Boards are actually PREP CLASSES, yes preparatory classes especially for LWF. See the point? Yes, this is true.

Likewise in displaying "Christian" empathy for others, we wouldn't want to stumble our brothers, by giving them information that they were ill-prepared for, information they possibly "couldn't bear" as Jesus said, if told all at once, remember? (John 16:12; Matt. 18:7) And so, we respectfully ask that you follow the same wise advice of Jesus, in this instance, yes follow the provided counsel and guidelines for new Student-Cadets, and NOT share the in-depth information found at LWF with friends or relatives because we remember, the YORWW Bible Academy is actually a PRIVATE forum. In other words, why don't you let them join the YORWW Bible Academy for themselves...yes that would be the best thing you could do for them. Yes, invite them to join the YORWW Bible Academy [YBA] themselves.

Therefore believe it or not, following simple instructions like these, could prove to be a person's first great test of giving a "listening ear" while on LWF. This shows, how well one truly listens to provided guidance or instructions. So the question will be in your personal case: Will you personally comply and

YORWW Congregation

follow the guidelines or instructions given you by the LWF Administration Staff on this matter? Please keep in mind, all of this again, shows whether you are a good listener or not, yes, whether you are future "priestly" material or not, based upon how well you listen during your 90-day Stay here with us at LWF Discussion Board. (Leviticus 8:22-24) Remember, you *individually*, yes your personal attitudes and actions are being "graded" right now for future fitness into the Kingdom of God, as we speak. -- Isaiah 48:17, 18; Hosea 4:6; Malachi 2:5-7; Matthew 16:27

Actually, in time you may notice your past conduct, learning skills developed, and Godly qualities acquired at your local kingdom hall over the years in fact, will have an effect upon your *rate of progress* with us at the YORWW Academy. Remember, as Jesus said: "**Pay attention to how you listen.**" This is good advice! -- Luke 8:18

No doubt, you will find the bible instruction here at LWF to be **very different** from what you received in your local kingdom hall. Actually you will find the standards and requirements here, are much higher in fact. And because of the high requirements set here at the YORWW Congregation, most Jehovah's witnesses regrettably will simply NOT qualify for such a high calling. No, but we realize Jehovah God has deliberately set VERY HIGH standards for the establishment of "New Jerusalem" upon earth today, to keep all undesirables or individuals of NON-faith out of His Holy City. In so doing, Jehovah Himself keeps His Grand Promise to completely cleanse EARTHLY Jerusalem of all wicked or unclean ones, once and for all. -- See Isaiah 35:8-10; Isaiah 52:1; Ezekiel 20:35-38; Revelation 21:8, 27; Revelation 22:14, 15.

Indeed we remember, Jesus did say, "exert [Greek: *agonizomai*] yourselves vigorously," did he not? With this thought in mind, to enter New Jerusalem, one would have to "exert" oneself or "**AGONIZE**" to enter God's Kingdom on earth, the YORWW Congregation itself. Of course, we realize that any who are not willing to "agonize" to enter God's Kingdom, as Jesus recommended, will simply not make it. That is an irrefutable fact. -- Luke 13:24

ACADEMY RULE 3:

Special 90-Day Bible Education Program Implemented For All Registered Members At LWF!

The YORWW Bible Academy: Its Curriculum and Standards For Admission

As you know, this discussion board has been prepared, approved and sponsored by the **YORWW Congregation** itself. Indeed, you will clearly notice, the members of the YORWW Congregation ALL serve as "**Administrators**" and "**Moderators**" of the "**Living Waters**" **Forum Discussion Board**.

Therefore, please be informed, ***this particular discussion board APPROPRIATELY, discusses primarily the beliefs and teachings of the YORWW Congregation in detail, and dutifully explore further how these viewpoints of bible interpretation, relate to those taught by the Watchtower Society and Jehovah's Witnesses, numbering some seven (7) million within over 100,000 congregations worldwide.*** Thus, it is to be expected that the YORWW Congregation (and LWF Administration thereof) would appropriately determine all subject matter (topics) to be discussed at all times, and further *to what extent* this particular subject matter should be pursued, as would be expected within a normal, classroom setting. -- 1 Corinthians 1:10

Simply put, the YORWW Bible Academy "**CURRICULUM**" we believe, has been established and is set, for all students who agree to attend for INCREASED knowledge and learning of bible prophecy itself. (Proverbs 9:9) Therefore at YBA, it is NOT our purpose to invite individuals of other religious persuasion

YORWW Congregation

such as, clergymen, Doctors of Divinity, and/or noted individuals of learning from the field of theology, to explain biblical matters to us, as it is quite obvious their teachings are flawed, erroneous and bring great reproach upon Our Grand Creator. Instead, we know God's Word makes clear, Divine Truth will be given to Jehovah's "Chieftain" and only him, as special "bread" in the "East Gate" of God's Temple of today. Indeed, it is from this source, God's Holy Temple Arrangement, that "living, healing waters" of Divine Truth will flow to all mankind for their benefit. -- See Ezekiel 44:3; Ezekiel 47:1-12; Revelation 22:1, 2; Genesis 22:18.

At YBA, we maintain the candid viewpoint that, since we have taken on the *weighty responsibility* to open this discussion board ourselves to the public, and to maintain it, and further to finance it with our own money, time and expertise, then we are sure you can fully appreciate why we have taken the view of things that we have to completely operate this discussion board, as we see fit. And we know you can understand that fact.

In fact we recall, Jesus once said to his disciples relative to this point,

"Did you get the sense of all these things? They said to him: Yes. Then he said to them: That being the case, every **PUBLIC INSTRUCTOR** ["learned person," see fnt NWT Lg Prt], *when taught* respecting the kingdom of the heavens, is like a man, a householder who brings out of his treasure store things new and old." -- Matthew 13:51, 52

In the above setting, Jesus reminded his disciples and all those of the Jewish Nation, that as "Public Instructors" of God's Word, they FIRST had to be "taught," yes taught properly, in order to be "ADEQUATELY QUALIFIED to teach others." Think about it. - 2 Timothy 2:2

Thus, all members of the YORWW Congregation, properly view themselves then, as "**Public Instructors**", trained "teachers" for the special work we do in behalf of all God's Name People worldwide, as well as the rest of mankind world wide. And we hope, in time, you will come to the same conclusion, and wish to join us as trained "public instructors" of God's Word also.

In starting this discussion board, what we *originally* hoped for would be, a full "student body" made up exclusively of particularly keen bible students from among Jehovah's Witnesses, that would adamantly and steadfastly agree to the following: **Bible Prophecy, with either good or negative connotations, will have certain fulfillment upon God's Name People, Jehovah's Witnesses themselves as a people and nation.**

Of course, all informed Jehovah's Witnesses realize that this is clearly NOT what the Watchtower Society teaches concerning such important matters relative to understanding bible prophecy of our times. Actually, the major qualification for joining LWF Discussion is:

you wholeheartedly believe Jehovah's Witnesses are indeed, God's Name People, yes Mystery "Israel" of our times, fulfilling bible prophecy.

Another good point to keep in mind about the YBA is this, even though we agree Jehovah's Witnesses do possess some forty (40) basic truths themselves, there are many, many important doctrinal and procedural issues taught by the Watchtower Society that are IN ERROR, BLATANTLY WRONG and thus of great concern to God's Name People today. Therefore, we can see the need for providing such

YORWW Congregation

discussion boards like CE and LWF Discussion Boards for searching Jehovah's Witnesses who wish to have open, frank dialogue with fellow believers on many pertinent biblical issues affecting them today.

ACADEMY RULE 4:

How The Special Bible Study Course Works At LWF

One of the first things you will notice after being admitted at LWF, is that many bible topics have already been PRE-SELECTED for discussion for the class. To be sure, there are well over 100 timely bible topics that have already been started by diligent members of the **YORWW Congregation** for *your* benefit and convenience -- exactly as we would find in a classroom setting.

Actually, many of the topics presented are ones that have never, ever been discussed by Jehovah's Witnesses in general. For example, the discussion dealing with the **Scapegoat Covenant**. This is a topic that Jehovah's Witnesses know nothing about and have never discussed before. Also, the topic dealing the **2-Kingdom Concept**, as well as the one dealing with New Jerusalem becoming an **EARTHLY** kingdom governmental arrangement. Yes, these topics and more are already available for you to examine and study over, in the privacy of your own home. Next after reading the material presented, you are now permitted, yes invited, to comment upon those threads, those topics shown on our board now. Yes, now the real discussion can begin!

During your 90-Day stay with us, at some point you may encounter a serious point that needs more explanation. Or, perhaps, after considering the material we have presented on a certain subject, you may decide to even EXPRESS a differing viewpoint to us, on this same topic. Keep in mind, even though we may differ on some issues facing all of God's Name People, still we can always remain "agreeable" even though we may disagree on the topics as discussed. Remember, we as teachers of God's Word, will always give you the SAME RESPECT publicly, you give us on the discussion board, while you are here for the 90-DAY Course of Bible Instruction. After all, you have a right to your opinion on things, and we realize that, just as long we allow the originator of the thread, to conclude the matter in a peaceable way, for the benefit of all who are actively participating on the thread. But, we realize fully, that you always have your God-given right to your private thoughts... knowing that you will have to live with the ultimate CONSEQUENCES of such a decision that you make before God and man. Think about it. -- 2 Timothy 4:1

Therefore, if we all implement the above WRITTEN POLICY mentioned above, we fully expect the **LWF Discussion Board** to be completely free of open displays of ungodly PERSONAL INSULTS, vented "WRATH" and endless, unfruitful "DEBATE," which invariably fuels egotism and discord so common on discussion boards of our time. We know just as God's Word clearly says, this type of conduct, always "overturns" those who listen, those that are sincerely searching for truth. -- Matthew 7:7, 8, 13, 14; 1 Timothy 2:8; 2 Timothy 2:14

Nevertheless, we just wanted to remind you of how we see things here at LWF. Yes, we view things just as when one enrolls in a school setting for higher learning, which is designed for mature adults -- like attending a college or a university of one's choice. And of course, in this case, we as the **YORWW Congregation**, feel we should appropriately represent the School Administration itself. And we feel proper decorum would match that which is usually observed at a university classroom setting.

This means at all times, all students & teachers attending the school facility, are always treated with proper respect and the classroom "instructors" would always be accorded dignity and respect, regardless

YORWW Congregation

of the viewpoint presented or taught by the Instructor. In fact, even if we *vehemently disagreed* with what a college instructor was teaching to his class, certainly we wouldn't want to try to publicly DISRUPT the class and try to cause an OUTRIGHT REVOLT or RIOT at the school, since we simply didn't agree with some of the things taught there, would we? Common sense would dictate otherwise, we believe, if one were a "student" within a school institution of some kind. No respectable school institution administration, would tolerate such behavior in their students. We would have to agree with that point.

Therefore, in our viewpoint, the **LWF Discussion Board** thus becomes a place of higher learning, a school, a place of HIGHER learning like attending a college or university where important educational matters are discussed and explained to prepare people for SECULAR leadership roles in our society. However, in this case, we discuss important SPIRITUAL matters, yes with those who are spiritually mature, discerning adults (both teachers & students) -- those who are *very serious* about their SPIRITUAL learning and educational growth. -- See 1 Corinthians 2:13-15; Philippians 3:15, 16; Philippians 4:8; Colossians 1:9, 10; Hebrews 5:13, 14.

ACADEMY RULE 5:

Ninety (90) Days Becomes A Pre-Acceptance Period For The YORWW Congregation!

Thus, it would be good to keep in mind, when one becomes a participating member of the LivingWatersForum, he or she has become a *prospective* member of the YORWW Congregation. This means the 90-Day Bible Study Course, automatically becomes a **SPECIAL 90-DAY PRE-ACCEPTANCE PERIOD** for joining the YORWW Congregation. In other words, if one has no desire to join the YORWW Congregation, then he or she should not join the LWF Discussion Board at all. Yes, this is something that you must understand, before joining us as registered members of the LWF Discussion Board.

Of course, this special LWF Rule or Guideline does not apply to individuals who want to join either SNS or CE Discussion Boards. No, but it applies only to those who are thinking of *applying for admission on LWF* and only them. And then, after the LWF student has completed the 90-Day Bible Study Course, they can now make their own *personal decision* on whether to join the YORWW Congregation or not. Yes, its just that simple. And again we are reminded, this special acceptance period for joining the YORWW Congregation, is limited to a small window of some 90-Days or 3 months in total, with no exceptions. Therefore all during this special period of time, it is our sincere hope that you, the registered member of LWF, will apply yourself to diligent study of God's Word, as you prayerfully consider our message, called: **The "REPORT."** -- Ezekiel 21:6, 7; Philippians 1:9, 10; 2 Timothy 2:15

PLEASE NOTE: The biblical expression **The "REPORT"** taken from **Ezekiel 21:6, 7** is a very special message disseminated by ourselves where we, as a united congregation, as the YORWW Congregation, continue to admonish all baptized Jehovah's Witnesses, of powerful bible prophecy concerning them, as God's Name People, which clearly points forward to a "Great Tribulation" (Revelation 7:14 *New World Translation*), a "Great Trial" (Revelation 7:14 *New Jerusalem Bible*), or a "Great Ordeal" (Revelation 7:14 *New Revised Standard Version*) of trouble, persecution and even death, that should be heaped upon all those who call themselves by God's Holy Name, or those who were called in the past by this Most Holy Name. All of this is explained clearly by the material presented on this particular discussion board. Please make no mistake about that! -- Jeremiah 23:19, 20; Daniel 7:21, 25; Daniel 11:41; Revelation 12:13-16; Revelation 13:5-7, 9, 10

Therefore, it is extremely important that you consider the information presented on this discussion board, carefully, and prayerfully. This very important message, directed

especially to all Jehovah's Witnesses some seven (7) million in number, called THE "REPORT." -- *Philippians 4:6, 7*

Indeed, we feel certain that after 90-Days of exposure to our urgent message, yes after 90-Days of receiving spiritual instruction from the written material presented on our discussion board at LWF, a diligent student of God's Word should be in a good position to make a **FINAL DECISION** as to whether he would like to become a member of our congregation. Yes we feel, 90-days is enough time, for one to know whether he wishes to become a member of the YORWW Congregation itself or not.

In fact, we are hoping that you too, who are reading this for the first time, you too, will want to join us, as members of the YORWW Congregation, after your 90-Day stay with us! Yes, that is our hope, that is our prayer, Praise Jah!

Thus, given the above reasons, during your 90-day stay with us as a registered member at LWF, all BEFORE you make your **FINAL DECISION** as to whether you will join us as members of the YORWW Congregation, if you know you are going to be away for an *extended period of time*, such as over 30-days, after agreeing to take this special 90-Day Bible Instruction Course from the YORWW Congregation, then all we respectfully ask that you do is to please give us a WRITTEN NOTICE of this period of absence, so that we will know what is going on. That is all. And we thank you for this notice, ever so much.

Please be advised as registered members, if you find it necessary to be away from the LWF Discussion Board for a period of more than 3 days (72 hours), it would be prudent on your part to give us a WRITTEN NOTICE of your upcoming extended absence, to prevent your account from being mistakenly deleted and purged from our database as a non-participant. This is something all participating members need to be cognizant of. (See Guideline #7 below)

ACADEMY RULE 6:

Handling "Unruly Ones" And The Appeal Process In The YORWW Bible Academy

Sometimes, an individual registers at LWF, but suddenly begins to "debate" or "argue" with us over our particular beliefs & teachings. Also, sometimes certain individual members will oppose us to *such an extent* that in their public posts on our board, they begin to include disparaging remarks about personalities on LWF, or openly "contend" with those who are regular posters on LWF & members of the YORWW Congregation, thus displaying an ungodly "spirit of contention" among spiritual brothers, which is one of the 7 things that God clearly hates. (Proverbs 6:19; 1 Timothy 2:8) In such cases, all participants are to be reminded they are here as our special "guests" on this discussion board, as all are welcome to come visit with us and to discuss biblical matters freely. Still, if such ones persist in this type of conduct, and we cannot correct the situation, then we will be forced to view the person as "UNRULY," and beyond our help at this time. (1 Timothy 1:8, 9; Titus 1:6, 10) As would be expected, this "unruly" person must then be removed so that others can learn in peace and tranquility. Usually in all such cases, the person's account with LWF will be "de-activated" on a permanent basis.

Of course we know at LWF, naturally we may not always agree on everything, but at least, we can agree to "become agreeable" about our differences, as should be the case for all of God's Name People, spiritual "brothers" in the faith. (1 Corinthians 1:10) However, please understand that all during that period of time we are trying to resolve the problem and difficulty, your account with LWF may be "de-activated," temporarily or permanently depending upon the situation. We do this, so that GREATER

YORWW Congregation

confusion will not be created on our discussion board resulting in INCREASED discord for others who co-exist peacefully here. -- James 3:18

Not in all cases, but in many cases when these types of things occur, you could be contacted by private message, explaining the situation, as to why your LWF account was temporarily/permanently "de-activated" and what can be done on your part AND ours, to remedy the situation.

However, if by chance, your personal account has been "de-activated" at LWF and you were NOT notified in writing of the reason, we urge you to please get in touch with us at ASKYORWW@yahoo.com immediately, and we will be happy to respond, to fully explain why this action was taken. So, if you would like to know if the "de-activation" action taken against you is considered *temporary* or *permanent*, please contact us.

Also, if it turns out that your account indeed been suspended for some serious reason, then you have a **30-Day APPEAL PROCESS** available to you, where you can explain YOUR side of the story more fully, as well as finding out the particulars and reasons why your account was "de-activated," in the first place. If this has happened, just get in touch with us at ASKYORWW@yahoo.com and we will be happy to explain to you the reason your account was "de-activated." Of course, please be advised, **after a "registered" account with LWF is "de-activated" for a 30-day period of time, if we do not hear from you within that period of time, your account will be deleted from our database on a permanent basis.** This is your written notice of that fact. Thank you.

ACADEMY RULE 7:

A 72-Hour Curfew Enforced & Administrative Private Messages (PMs) For Your Benefit

Please note at this time, the LWF Discussion Board employs a most unique "rule" or "guideline" which we feel, highlights the idea of alert PUNCTUALITY and PROMPTNESS. We, here at LWF employ the unique "rule" or "guideline" of a strict **72-Hour Curfew of absence** from our discussion board, for all participating members. In other words, what this means specifically for you, the participating member, is this: **If for any reason you are absent from the board for more than 72 hours, then he/she must give written notification of this to our admins presently on duty, before leaving the discussion board.** Please note, this special "rule" while we admit on our parts is quite unusual, still we feel is quite necessary and thus, *strictly enforced* for all participating members. We believe this special "rule" or "guideline" is necessary to stress again, prompt cooperation, among other things on your parts as future, prospective YORWW Congregation members. Indeed, we use this special "rule" or "guideline" as a teaching tool for training for all academy members participating. Therefore please note, failure to give written notice of a **72-hour absence** from the LWF Discussion Board, in almost all cases, would result in your membership at LWF being TERMINATED. Please take this, as your written notice of that fact.

Additionally please keep in mind, from time to time, the LWF Administrative Staff may need to contact you with an urgent message of grave importance relative to your performance or participation on our special discussion board. In all such cases, when you are contacted by our Administrative Staff by Private Message (PM), it will be expected for you to respond to these special messages within a **72-hour period** or less.

Therefore, in the case of receiving a special Administrative PM, the matter is almost always to be considered "most urgent" on your part. Again, as noted above, failure to respond "promptly" to an

YORWW Congregation

Administrative PM **within a 72-hour period** from the time it is sent to you, would result in your membership at LWF being TERMINATED. Please take this, as your written notice of that fact. -- Please carefully consider **Isaiah 16:5**.

Information Provided For The General Public:

Of course, for the benefit of the general public, you can find a listing of our basic beliefs and teachings on the [Forty \(40\) Basic Truths Page](#). Then too you will find, *Ten (10) Special Links* shown at the bottom and top of the forum pages of SNS, CE and LWF Boards that provide concise, in-depth insights on our unique beliefs and teachings, as well as many, many Blog Pages created (see navigation buttons below article, for instance), complete with graphics, covering various topics of interest for your convenience.

Indeed, at either SNS or CE Discussion Boards, you will find thought-provoking information to especially prepare you for the 90-Day Bible Study Course at LWF. And of course as you know, when you take the 90-Day Bible Study Course at LWF, you will get the full picture of our beliefs in detail, as there are some 25 forums with over 100 articles provided for your spiritual edification, including an in-depth discussion of how we can scripturally identify Babylon The Great of our times, and a full discussion of the new "indefinitely lasting covenant" that Jehovah God has provided (through the blood of Jesus), that will serve to "atone" for all of the sins of God's Name People today. - See Ezekiel 16:59, 60; Jeremiah 50:4,5.

PLEASE NOTE: The [LivingWatersForum](#) is a Special 90-Day Online Bible Study Course for individuals who have completed their studies at either SNS or CE discussion boards and wish to participate in it with us. If you would like to participate in this online bible study program, or if you have any questions on what has been said above, please feel free to write us at ASKYORWW@yahoo.com. Indeed we look forward to the time we will be able to freely discuss these matters of "serious concern" in greater detail, that many of Jehovah's witnesses, as well as many persons of interest, are seeking answers to in our day and time. And again, **Welcome!** -- Philippians 4:8

Cordially,

Donald C. Burney (yorww)
