

Can Your Religion Correctly Explain The "Scapegoat"???

A Close Analysis of Leviticus 16:10
[Also known as the "Black Mamba" Ad]

Commemorating the Jewish Observance of "Shabbat Parah" [The "Sabbath" of the "Red Heifer"] Day which takes place this year sun-down, Friday, March 13th, 2015. The special ceremony is described for us in Numbers 19:1-22. This special Jewish Day Observance takes place on the "Shabbat" or "Sabbath" before "Shabbat HaChodesh," in preparation for the Passover Observance. The ceremony itself shows the "Parah Adumah" or "Red Heifer" in the Jewish temple as part of the manner in which the "Kohanim" [direct descendants of Aaron] and the Jewish people purified themselves so that they would be ready ["pure"] to sacrifice the "Korban Pesach" or "Sacrifice of Passover." Today, this "Red Heifer" [Cow] corresponds perfectly with the "Scapegoat" of Lev. 16.

In the most magnificent way, Jehovah accomplishes all things through the precious blood of Jesus Christ. This is especially true of the mysterious "Scapegoat" Sacrifice that Jehovah has prepared for modern day Israel [Jehovah's Witnesses] of our time, to cleanse them of heinous sin. Therefore, as we consider this written material, let's keep uppermost in mind that our discovery of these unthinkable, "incomprehensible" thoughts, and "peering" into this matter is only by the Divine Permission of Jehovah God Himself -- this "peering" into matters that even angels wish to do, yes this very, very deep matter of the Sacred Secret of the "Scapegoat" Covenant. This unknown covenant is something that has been hidden from mankind and even angels in heaven for untold centuries ... millenniums even. Thus, it becomes the Greatest of All "Sacred Secrets" from God Almighty Himself, withheld from mankind itself since mankind's creation. -- Ephesians 3:9; James 1:25; 1 Peter 1:12

Yes, a "Sacred Secret" so great, so powerful, that when fully understood and comprehended by mankind in general, it will completely revolutionize the way mankind thinks of **Genesis 3:15** and what God intended originally, in the Garden of Eden when he uttered this most important prophecy and its outworking for our day and time. Let us read on to see why we say this is so.

Jeremiah 33:3 says for our benefit:

*"Call to me, and I shall answer you and readily tell you **GREAT AND INCOMPREHENSIBLE THINGS THAT YOU HAVE NOT KNOWN.**"*
-- Jeremiah 33:3

Did you know, one of the most amazing verses in the bible which speaks of "great," and "incomprehensible things" that mankind has NOT known of before, all hidden within the Holy Scriptures themselves for thousands of years, millenniums, can be found below at **Leviticus 16:10**. Yes, this verse plainly says:

*"But the goat over which the lot came up for A'za'zel should be stood alive before Jehovah **TO MAKE ATONEMENT FOR IT**, so as to send it away for A'za'zel into the wilderness."* -- Leviticus 16:10 New World Translation (1984 Edition)

Also, the same verse taken from the NEW 2013 Revised New World Translation Bible plainly says:

*But the goat designated by lot for A'za'zel should be brought alive to stand before Jehovah in order to **PERFORM THE ATONE-***

MENT UPON IT, so that it may be sent away for A'za'zel into the wilderness. -- Leviticus 16:10 New World Translation (2013 REVISION)

Of course we speak of the **Scapegoat**, (which is named such in a number of bibles like the popular King James Version, New International Version, as well as the Septuagint Version of the bible), or as some translations refer to this "goat," yes, as the "living goat" that proves to be the **2nd goat** in the scenario of the **Day of Atonement** procedure. Maybe, you personally remember reading about this, when reading the 16th chapter of Leviticus. If so, you no doubt recall reading about this 2nd "goat," the "live goat" that is surprisingly, **"ATONED FOR"** before ... yes, before it is used by Jehovah God in a special sacrificial sense. Indeed, a careful analysis of this verse, namely **Leviticus 16:10**, shows us the 2nd goat is actually "ATONED FOR" before it is to be used in a "sacrificial sense" for God. All of this means, this "goat," could not picture Jesus Christ, in any way shape or form. No, it must picture someone else, *besides* Jesus Christ.

Indeed, the 2nd goat that is ultimately "sent into the wilderness" to "atone" for the nation's sins, is itself first, "atoned for" before being "presented" to Jehovah for sacrificial use. (Lev. 16:10, 20) Thus, when it is "presented" to Jehovah, it has been cleansed in God's eyes, made holy and prepared BY MEANS OF the 1st goat, which obviously pictures Jesus Christ. Thus, we can say with absolute certainty then, Jesus Christ must picture the 1st sacrificial goat, and to date, an unknown imperfect human should logically picture the 2nd goat...the one we call the Scapegoat of God. Therefore, based upon the foregoing, it would be the **height of foolishness** to say or teach Jesus Christ pictures both the 1st goat, and the 2nd goat, as the Watchtower Society, and all other so-called "Christian" religions currently teach world wide. Yes, since we all know, Jesus had no "sins" to be "atoned for" at all. He was a perfect man. No doubt, this is a point that has escaped the notice of many bible scholars earth wide, including the Watchtower Society. -- See John 8:46; Hebrews 7:26.

For example, take this comment from the Watchtower Society's release, *Insight on the Scriptures* Volume 1 page 225 under the heading of "Azazel," third paragraph. It states in part:

*"...However, the goat for Azazel was preserved alive for a time 'before Jehovah **to make atonement for it**, so as to send it away for Azazel into the wilderness.'* (Le 16:5, 7-10 New World Translation) *Atonement for this live goat issued from the blood of the goat for Jehovah, which had just been killed as a sin offering, the life of the flesh being in the blood.* (Le 17:11) *The blood value, or life value, of the slain goat was thus **transferred to the live goat**, or the goat for Azazel. Thus, though it was not killed by the priest, this live goat bore upon it a sin-atoning merit or a value of life. The fact that it was presented before Jehovah evidently indicates that he recognized this **transfer of merit or sin-atoning power.**"*

Now what do you think of this small bit of information presented above? Well, the most obvious question that

one could ask here is:

...If Jesus pictures both "goats" then in this prophetic drama, as all Christian religions believe including the Watchtower Society and all Jehovah's Witnesses, then why ... oh why would there even be a need to TRANSFER ... TRANSFER the "sin-atoning merit or a value of life"

to the second goat??? In fact, there would be no need ... no need to "TRANSFER" anything, since Jesus pictures both goats, isn't that so???

Incredibly, this foolish statement on the Watchtower Society's part came about because they had just quoted from their own translation in **verse 10** saying the second goat had been "atoned for." Did you notice this? Which means this "atoning" occurred no doubt by way of God's applying the "sin-atoning merit" of the "blood" from the first goat, invariably to the second "goat" or "live goat." That was the God-inspired arrangement. However, when the Watchtower Society chose to speak of something, anything for that matter, yes being "transferred" in this case, it would not make good sense, indeed if the second goat also pictured Jesus Christ. No, it would NOT make good sense.

Black Mamba Numbers 21:6-9 Therefore, when we think about this above stated viewpoint, isn't this statement really like saying,

... Almighty God TRANSFERRED the "sin-atoning merit or value" of Jesus' blood from the first goat [Jesus] ... yes, to JESUS, the second goat??? Isn't that so?

Yes, according to the Watchtower Society's own words from their printed publications & bible translation, yes Jesus' blood or the "merit" or "value" of it, was miraculously "transferred" FROM Jesus ... oh my, to Jesus, since he, Jesus in addition to picturing the first "goat," also amazingly pictured the second goat or "live goat" too. "Ridiculous!," you say.

Yes, no doubt this is the kind of nonsensical statement on the part of the Watchtower Society which reminds many Jehovah's Witnesses of equally foolish statements from staunch religionists of Christendom, who adamantly teach and believe Jesus is actually God. Oh my! Yes, when Jehovah's Witnesses are out in "field service," and they encounter these ones with this type of reasoning who shamelessly say such things like:

*"... Jesus as Almighty God, when praying on earth, was actually **PRAYING TO HIMSELF.** [Our reaction was ... **"SAY WHAT???"**... And then they would continue...] Yes, Jesus prayed to himself, accordingly with Jesus also in heaven listening to his actual prayer being pronounced on earth, by Jesus. "Ridiculous" you say, right???* Well, it would be just as ridiculous to say that anything, that's anything ... was **"TRANSFERRED"** from the first goat to the second, if Jesus himself, pictured both goats.

Think about it! No doubt, this explains the continued nonsense of the Watchtower Society,

when they said the following about who is actually pictured by the **Scapegoat**, when they state:

"As the apostle Paul explained, by Jesus' offering of his own perfect human life as a sacrifice for the sins of mankind, he accomplished far more than had been achieved by 'the blood of bulls and of goats.' (Heb. 10:4, 11, 12) *He thus served as "the scapegoat," being the 'carrier of our sicknesses,' the one "pierced for our transgression."* (Isa. 53:4, Mt 8:17; 1 Pe 2:24) *He 'carried away' the sins of all who exercise faith in the value of his sacrifice. He demonstrated the provision of God to take sinfulness into complete oblivion. **In these ways the goat "for Azazel" [A'za'zel] pictures the sacrifice of Jesus Christ.**"* -- See *Insight On The Scriptures, Volume 1*, page 226 paragraph 3.

So we can see, the Watchtower Society does indeed believe the 2nd goat does picture Jesus Christ, along with the 1st goat too. Jesus pictures BOTH "goats" according to the Watchtower Society and Jehovah's Witnesses. However we note something very interesting about this situation, namely, the "live goat", *after being cleansed of sin*, is then used in a sacrificial sense itself to "atone for" the nation's sins -- that's AFTER its *initial cleansing* before God. Now, what do you think of that fact???

Also, according to scripture, all of the nation's "sins" and "revolts" are next, confessed and "put upon" the head of the scapegoat or E-scapegoat, or "live goat" which is then, to be used in a sacrificial sense for **NATIONAL SIN**, as a "living" sacrifice. Which means, the 2nd "goat" is now, sent off into the wilderness for sacrificial purposes for the entire nation of Israel. But, first we remember, he must be cleansed from sin, yes, by means of the "1st goat," the one that was killed. Then the "live goat" can be viewed by God as a clean sacrifice and is now able to "carry off" the errors and transgressions of the entire nation [Jehovah's Witnesses], to the wilderness for God. -- Lev. 16: 21, 22

Interesting to Note:

The **"black mamba"** is largely regarded as the most dangerous and feared snake in Africa. To South African locals the black mamba's bite is known as the "kiss of death." Similarly, this ad should be regarded as the "kiss of death" for all Jehovah's Witnesses & "Christian" religions of our time, because this ad finally helps us really understand **Genesis 3:15**. -- **Think About It!**
