

Oholah & Oholibah -- Wicked Prostitute Sisters!

Ezekiel Chapter 23

In-depth Discussion of Secret UN-NGO Liaison of Governing Body of Jehovah's Witnesses!

Part 1

When we examine the **23rd chapter** of **Ezekiel**, and the history of these two prophetic figures of our time, we notice both women as mentioned in this chapter, were daughters of one mother. They were sisters. According to the 1973 *Watchtower*, pages 89-93 Christendom pictures both "**Oholah**" (**Catholicism**) and "**Oholibah**" (**Protestantism**). However, since we know Protestantism, in actuality, sprang from Catholicism, this of course makes "Oholah" the MOTHER of "Oholibah" and not a sister, would it not? Obviously, Christendom then, cannot picture BOTH "Oholah" and "Oholibah," could it? This simply would not make much sense. Therefore, all Jehovah's Witnesses then, should be quite willing, yes eager to find out the actual identity of these two wicked, prostitute "women" of bible prophecy, as it has much meaning for us today. So then, let us give this matter a closer examination.

We remember, "Oholah," the name of the older sister, originally represented the 10-tribe kingdom with its capital at Samaria. Her name can be rendered "Her Tent" thus meaning Samaria was apostate from the start, setting up calf worship at Dan and Bethel, the northern and southern most geographical locations, for false worship. It is "Her Tent" because she was independent of Jehovah from the beginning and never conformed to the precepts, laws, and regulations of the God she claimed to serve, yes ignoring the Law of Moses itself, almost altogether. This "prostitute" woman, reminds us much of wicked Christendom and the religions thereof. Yes, with Christendom and the nations who sponsor her we see a lawlessness and violation of God's Word for many centuries, yes from her religious conception, this phony, hybrid brand of religions which, even today, continue to mislead the nations, away from God and what the bible actually teaches.

For example, those of the "Catholic" religion itself, or "Universal" religion, in the beginning it itself was purported to be the force that would unite, not only the kingdom of the Emperor of Rome, but the entire world itself. We know this religious entity has always been in opposition to Jehovah's Word and purposes, as foretold from the scriptures. This "prostitute" religion has always been Jehovah's "enemy", being apostate from the start, and thus far removed from true worship, from its conception. Thus, Samaria - the 10-tribe Kingdom prefigures modern-day Christendom, in its entity including also the Protestant faith also. Yes, it is "Her Tent," as it were since Jehovah really has no part in her. Instead, he just permits her to exist just as he did for ancient Samaria, the capital city for the 10-Tribe Kingdom that existed as alien to the more favored

YORWW Congregation

2-Tribe Kingdom of Israel. Ezekiel 23:4 shows her to be the "older one", or the "greater one", showing she has existed for longer than her future "prostitute" sister, and is also "greater" in size than wicked younger sister, "Oholibah."

The name "Oholibah" means "My Tent Is In Her." This means, God's True Tent, his true people, actually exist within, yes, within this younger "prostitute" sister, prophetically. Yes, Jehovah is going to save a "remnant" from wicked "Oholibah", a smaller portion from this smaller nation, prefigured as the city of Jerusalem, and the 2-Tribe nation of Israel, which existed as a separate entity and had a separate form of worship, at the same time.

Now today, it has been fully exposed around the world, among Jehovah's Witnesses, and others who are NOT Jehovah's Witnesses themselves, about the clandestine works, the secret spiritual "fornication" of the Watchtower Society, wherein they were exposed as being NGO supporters of the United Nations organization, by the **Guardian Newspaper in the UK**, since October 8th, 2001. And indeed, since that time, with an additional press release of March 4, 2004, from the United Nations Office of Department of Public Information, yes it has been fully disclosed that the Watchtower Society did NOT become NGO supporters of the UN, for only a Library Card. No, but they were required, by the United Nations, as any other NGO [Non Governmental Organization] would be, to yes, write articles, using their sacred publications, formerly dedicated to announcing God's Kingdom and righteous purposes, yes, to use these "vehicles" of communication, the "Awake" and "Watchtower" magazines, to give shameless PUBLIC PROMOTION of the "ideals of the United Nations" to their worldwide audience!

Yes, the Watchtower Society, as leaders of all 7 million Jehovah's Witnesses, were required as "NGOs" for the UN, for a 10-year period, starting with the **September 8, 1991 *Awake!*** magazine (which was written as a "sample" of what the Watchtower Society could do as a "NGO" for the United Nations Organization) -- yes, they were required to use their printed publications, to give active "support" to the United Nations Organization up till October 2001. Yes, the UN Press Release of March 4, 2004 showed that this was a requirement, for all NGOs, including the Watchtower Society. -- ***See footnote below.

Therefore, unquestionably then, this new Press Release from the United Nations, then gives irrefutable proof, that the Governing Body of Jehovah's Witnesses were lying "thru their teeth", when they released the "Library Card" excuse to all Branch Offices of the Watchtower Society worldwide, officially on November 1, 2001. (We know, many Jehovah's Witnesses are now in serious "denial" about this whole affair, and simply will not discuss it with persons of interest at all or other inquirers, at all!) Yes, the news Press Release of **March 4, 2004**, from the United Nations Organization disputed what the Governing Body had previously said, and thus, in the minds of many, actually proved the Governing body of Jehovah's Witnesses, yes to be gross, totally unrepentant liars about this secret Liaison Affair with the UN. Instead of telling the truth to the brothers back in 2001, when they were asked about this situation, as reported in the **Guardian Newspaper in the UK**, the Governing Body used what's known among Jehovah's Witnesses as certain "Theocratic Strategy" -- yes, or "Watchtower Society Sanctioned lying", upon their own spiritual brothers! No question, they simply lied about it, as any UNREPENTANT WRONGDOER does, to "cover his tracks", as it would seem. Yes, we are now in a good position to better understand this prophetic drama of "Oholah" and "Oholibah" of Ezekiel 23rd chapter. Yes, we are! So then, let's give this matter, and the information that follows, our "undivided" attention as we will make a sincere effort to discern fully the true meaning of the prophetic drama of "Oholah" and "Oholibah"

for our times, yes for all Jehovah's Witnesses and interested persons alike.

*****Footnote:** The publication **The "Report"** [copyrighted 1994] was the first printed publication to mention the *unusual posture* of the Watchtower Society toward the United Nations Organization with the use of the September 8th, 1991 *Awake!* magazine. "Community Guilt" Upon All Jehovah's Witnesses Explained

Ezekiel Chapter 23

Part 2

Yes, as mentioned earlier, the name "Oholah" means "My Tent," and the name "Oholibah" means "My Tent Is In Her." And of course, the latter's name, yes well pictures the organization of Jehovah's Witnesses since "in her" there resides, yes, the True Tent or Temple of God's Name People, known as the "Male Child" of Revelation 12:5. Yes, many years ago, it was prophesied by the prophet Ezekiel, that this organization, the Jehovah's Witnesses themselves, would become a "prostitute" organization, under the leadership of the Governing Body of Jehovah's Witnesses. And what follows, then become a situation of "community guilt" upon all, yes all Jehovah's Witnesses, because of Revelation 18:4, and what it teaches us.

Yes, here is what **Revelation 18:4** said:

"And I heard another voice out of heaven say: Get out of her, my people [Israel] if you do not want to share with her in her sins, and if you do not want to receive part of her plagues."

Yes, this verse shows that Jehovah's Witnesses, yes today, can indeed actually "share" in the wicked antics of their religious leaders, simply by being a part of the religious organization that reproaches God's Personal Name. This verse now points at Jehovah's Witnesses themselves, the ones most vocal about such a verse itself in their field ministry. The people who quoted **Revelation 18:4**, more than any religious organization upon earth. Yes, all Jehovah's Witnesses are facing this "judgment" from the mouth of Jehovah himself, exactly as we all taught at one time or another as even former Watchtower adherents, yes we taught other religious people, going from door-to-door about this scripture, and the "community guilt" implied by it. There can be no question we Jehovah's Witnesses, former or current, told people we preached to in no uncertain terms, that if they didn't leave their wicked religious organizations, their fornicating, prostituting religions like the Catholics, the Baptists, the Presbyterians, the Methodists, and the wicked Mormons and all other religions - yes, all Jehovah's Witnesses, former or current, yes even non baptized publishers within the Jehovah's Witnesses Organization and I myself, (the writer of this material) all of us, at one time, yes taught that if those people of the churches of Christendom, or even those who were members of so-called "Babylon the Great," the world empire of all false religion, the House of Satan as it were, we taught that if they didn't leave those filthy religions, those prostitute religions, then they would be liable to Jehovah's direct for punishment, according to **Revelation 18:4**. And of course, we explained this by saying this was called: **"COMMUNITY GUILTY"** or "guilt by association." We said, it was like being "accessory to the crime," in

Jehovah's eyes. Yes, this is what Jehovah's Witnesses taught. Which means, all 7 million Jehovah's Witnesses strong, are, before God, yes accessories to the "antics" and wicked works of the Governing Body of Jehovah's Witnesses...no question about it!

See Link: **After Learning Of The NGO-UN Situation -- What Should Jehovah's Witnesses Have Done About It?**

So now, how can we escape guilt!

Yes, now Jehovah's Witnesses must play the part of "hypocrites" before all of the religions of the world, now. Jehovah's Witnesses are now, "put on this spot," because of the wicked antics of the Watchtower Society and its Governing Body. Yes, Jehovah Witnesses must now say:

"...WE ARE NOT GUILTY OF THIS CRIME OF APOSTASY BEFORE JEHOVAH, no, we are completely innocent!"

Ahhhhh, yes.

To play the hypocrite, now! Yes, to do this before the Heavens and Company (Angels) Above...

But, as we all remember, oh so well, isn't it true that we as Jehovah's Witnesses taught, publicly to people of the world, in our so-called "field ministry," that people who stayed with the Churches of Christendom, and continued to support their wicked leaders, their wicked ministers who taught them wrong, and lied to them - didn't we say, that those people WOULD BE DESTROYED, those parishners, who continued to give outward support, by keeping their membership there, in those church organizations? Didn't we actually say this, teach this, yes, preach this from the public platforms at our larger assemblies. Did not we teach such a thing? We taught "Community Guilt" and we used Revelation 18:4 as our "proof-text," did we not?

Yes, and didn't we further teach that Jesus would reject all forms of "hypocrisy," as he condemned in his day, those who tried to "set aside the commandment of God." Those, who as it were, "worshipped in vain" before their God, yes those who followed those religious leaders who practiced things displeasing to Jehovah, and those things Jesus considered as: spiritual "leaven" in Jehovah's sight. Which means of course, a "little leaven ferments the whole lump" of the religion itself, in this case, namely the Jehovah's Witnesses Organization, some 7 million strong? - See Mark 7:7-9; Luke 12:1; Galatians 5:7-9.

Well, guess what? Now, all Jehovah's Witnesses, on the basis of Revelation 18:4, are now faced with "Community Guilt," the same kind that is spoken of in Revelation 18:4. (Compare Leviticus 4:3) Yes, the religious leaders of the Jehovah's Witnesses, namely the Governing Body, have now "sinned" before God. They have now become a "prostitute", fornicating brand of filthy spiritual leaders before God Almighty. So, what now? Do you imagine that Jehovah God will change his lofty requirements, simple to appease, the lofty-minded, vigorous preaching Jehovah's Witnesses, today? The ones who now, have blatantly "acted wickedly toward [God's] holy covenant," openly in front of all, including Satan the Devil, yes the entire planet of mankind! -- Daniel 11:30; Malachi 3:6

Ahhhhhh, not so, actually!

And yet, some Jehovah's Witnesses actually feel because they are God's Name People, yes, they say that they are "The Temple of Jehovah, the Temple of Jehovah, The Temple of Jehovah, we are..." Oh yes, this filthy spiritual fornication of the Watchtower Society itself, many, many active Jehovah's Witnesses hope that

this most horrendous "act" on the Governing Body's part, will not be viewed by Jehovah God, as being a true "covenant-breaker" itself, as foretold in bible prophecy itself. (See Malachi 2:8, 9; Jeremiah 7:4) Yes, they feel that surely, surely, "Jehovah will not dump" us, on account of what the Watchtower Society Headquarters Staff did, would he? But, ah yes, Jehovah answers rather clearly:

"I will do also to the house upon which my name has been called, in which you are trusting, and to the place that I gave to you and to your forefathers, just as I did to Shiloh. And I will throw you out from before my face, just as I threw out all your brothers, the whole offspring of Ephraim". - Jeremiah 7:14, 15

Yes, it seem wicked, filthy Jehovah's Witnesses as a whole, simply want to uphold their filthy "Temple" arrangement, the filthy arrangement of their so-called "anointed" ones. But as mentioned above, prophetically speaking, Jehovah has said,

"...they must be thrown out before his face...",

Yes, Almighty God has said, has shown indeed, thru the messages of the "prophets" of old, that Jehovah's Witnesses, as a whole, yes, must be disfellowshipped, from before His Righteous Face! Why? Well, because they will not, act to "correct" the wrongdoer, namely in this case, the Governing Body of Jehovah's Witnesses themselves -- that's why!

Therefore, without a doubt, the WTS and Jehovah's Witnesses, all are guilty before Jehovah now, of committing spiritual fornication. Yes, Jehovah's Witnesses, as an organization, yes pictures modern-day spiritual "Oholibah", the newly established "prostitute" woman, who is the true wicked "sister" to "Oholah", the wicked churches of Christendom.

End of Part 2

Ezekiel Chapter 23

In-depth Discussion of Secret UN-NGO Liaison of Governing Body of Jehovah's Witnesses!

Part 3

Now, let's consider an illustration for our benefit, to show exactly where we (Jehovah's Witnesses) are now before God, with the committing of the spiritual prostitution of the UN-NGO fiasco becoming public knowledge. Isn't it true, we today are the ones with the whole bible, in its entirety? And like before, ancient Israel committed "adultery" many, many times before Jehovah divorced her. Isn't that correct?

So let's consider three important verses.

Romans 15:4, 1 Corinthians 10:11, and 2 Timothy 3:15, 16

These three bible texts, actually reveals an important fact. Yes, these bible texts show us Jehovah has given his faithful servants, the "full story" on his past marriage by way of written history, countless centuries of

years worth! And since the "marriage of the Lamb" is a future event, as shown in Revelation 19th chapter, then we must say, or speak in terms of God's Name People, the nation of Spiritual "Israel," yes being seen as yes, Jehovah's second bride or wife, that is Jehovah's Witnesses as modern Israel. So in such a case then, should we think that we, God's Name People, Israel of today, need a second chance to "get it right" and not practice sin anymore, although we knew what was truly deserved the first time around, having had Israel's history plainly explained to us.

Therefore, we must begin to see this from Jehovah God's viewpoint.

Consider this: Jehovah, after divorcing a lying, deceitful fornicating wife, who after being forgiven many times for her adulterous ways, now decides to marry a new wife. Now of course, the new wife knows all about the sins of the first wife that was divorced by God. Still, this new wife unfaithfully turns to "prostitution" like the first wife, and wickedly breaks the "marriage vow", committing adultery like the first wife. What is Jehovah to do? Obviously, it would seem the second wife has *learned nothing* from the example of the former one. Yes, just as "Oholibah" didn't learn anything from her older "sister", the older prostitute, wicked, "Oholah". -See Ezekiel 23rd chapter.

Therefore, how forgiving do you think, Jehovah should be in such a case. How forgiving should Jehovah be, when now, the INFORMED second wife, decides to carry on more fornication and adultery as an unfaithful wife, we ask? I think we know the answer to that question. So then, to say that we (Jehovah's Witnesses as a nation) will "not get dumped" by Jehovah, after the nation has practiced "sin", for some 10 years, is actually *presuming* upon his "mercy", as it were. In fact, **Leviticus 4:13-15** shows that even if the entire congregation did not know of this clandestine or secret "act" of the Governing Body of Jehovah's Witnesses, still, in God's eyes, when the act becomes known...God's People must make "atonement" for such a "hidden" sin. (See also **Numbers 15:22-26**.) It is a National Atonement, in itself that is truly needed, for the nation to continue its covenant relationship with Jehovah. And in addition, leadership, can indeed, bring such "guilt" upon the entire nation, as shown at **Leviticus 4:3**. So any way you look at it, National Atonement is in order.

Bible prophecy indicates the *original* covenant, the Christian Covenant then, is broken because of **SPIRITUAL ADULTERY**. However, this does not mean, Jehovah will not make a provision for his people, and ultimately restore all repentant Jehovah's Witnesses to His Eternal favor. -- See **Ezekiel 43:7-9; Ezekiel 44:7; James 4:4**.

Actually it is by Jehovah providing another "covenant" arrangement, like the kind that Jesus presented Peter and other faithful followers of the first century with, whereby true "repentance" to Jehovah could be shown. However, the big problem will be, How willing will Jehovah's Witnesses be toward such a "provision" from God? Bible prophecy indicates we will receive "an indefinitely lasting covenant", because of "an abhorrent sin" committed on the part of the Watchtower Society. Please consider these prophecies listed below. - Zechariah 13:1; Jeremiah 50:4,5; Ezekiel 16:59-63; Ezekiel 20:35-38.

Remember, Jesus' warning at Matthew 24:15, 16. He showed the truly repentant ones, those who wished to please Jehovah in all things, must "flee" APOSTATE Jerusalem namely in our case, the apostate Watchtower Society. Because what follows will be liken to the destruction of General Titus upon apostate Jerusalem, in 70 CE namely the "Great Tribulation", upon God's Own Name People. (Luke 21:24; Rev. 11:2; 13:5-7) Therefore we take advantage of the window of opportunity and flee an apostate organization, and be

YORWW Congregation

spared. These words are just as much applicable for us as they were for our first century counterparts. Yes, we have indeed, "caught sight" of the UN, a truly disgusting thing, standing with the ruling members of God's people, Jerusalem, "where it ought not be." -Mark 13:14.

Yes, what Jehovah's Witnesses all must learn is that the prophetic drama of "Oholah" and "Oholibah" is actually about them, and how they fit into this prophetic drama, as the *newer* prostitute "woman" or derelict religious organization. Yes, this is about Jehovah's Witnesses being "Israel" of Bible Prophecy. Would you like to know why we say Jehovah's Witnesses are fulfilling Bible Prophecy today as Modern Day "Israel"? If so, we will be more than happy to assist you to better understand our message. The information that follows, will we believe, provide the biblical basis for such a conclusion.

This message is about "Reconciliation" for Jehovah's Witnesses. We use the word "reconciliation" because we believe Jehovah's Witnesses as God's Name People, have severed their relationship with God, by breaking his "covenant" as a "Christian" Organization, thus bringing the wrath of God upon themselves very soon for doing so. - Daniel 11:30; Luke 21:21-24

When we speak of "Reconciliation" with God, we mean a mending or "reconciling" of one's broken relationship with Jehovah because of serious "transgression" committed on the part of the leadership of the organization, as well as the foretold serious repercussions that will come as a result of such a "transgression." - Leviticus 4:3; Daniel 8:9-12; Daniel 11:40, 41.

In this written material, one can learn something important. Yes, one can learn how to identify mystery "Israel" of Bible Prophecy, and what the immediate future holds for the nation. Finally, we can learn how Jehovah's Witnesses individually, can regain their relationship back with Jehovah, make true "peace" with God, and come to have an "indefinitely lasting covenant" with Him. - Jeremiah 50:4, 5; Ezekiel 16:59-63

So, we encourage you to examine the evidence, the biblical proofs, web links and key references presented, which fully explains how and why we say Jehovah's Witnesses as an international family of worshipers, a "people for His Name," are to be found especially reprehensible before God as transgressors against Him, in fulfillment of Bible Prophecy. - 2 Corinthians 13:5; Acts 17:11.

This written material that you are reading, yes, is being presented to all Jehovah's Witnesses by the **Y.O.R.W.W. Congregation**, which is made up of former Jehovah's Witnesses who have publicly renounced the blatant wickedness of the Jehovah's Witnesses Organization. The name Y.O.R.W.W. stands for: "YAH Our Righteousness" World Wide. (Psalms 68:4; Jeremiah 33:16) We are a "rescue mission" for Jehovah's Witnesses who recognize the serious problems affecting the organization and want to know God's solution to the problem. - Ezekiel 43:10, 11

As members of the **Y.O.R.W.W. Congregation**, we believe Jehovah's Witnesses are God's Name people, Modern Day "Israel" of our times. We believe they became such in the year of 1931 when they took God's Name upon themselves in a sworn oath before God Almighty and mankind. -- See Numbers 6:27; Deuteronomy 28:10; Acts 15:14-17. And as such, namely Modern Day "Israel," Jehovah's Witnesses were destined to "fall" into spiritual apostasy as foretold in prophecy. However we believe later, God's Name People as mystery "Israel" [or mystery "Jerusalem"] will be "restored" to Almighty God's full favor, again according to Bible Prophecy. -- Isaiah 30:26; Micah 4:6, 7.

Actually, Jesus himself predicted the necessity of a great spiritual "Restoration" or "Re-generation" for the "12 Tribes of Israel," thus indicating the nation was to fall into apostasy before God in the "time of the end." - (Greek word palingenesis translated "re-creation" in New World Translation in Matthew 19:28. See also Titus 3:5 NWT Large Print Ref Bib ftn.) - Acts 3:19-21

We liken our spiritual ministry to one exactly like Jesus' as shown at Matthew 15:24, where he spoke only to God's Name People, themselves - Jehovah's Witnesses of his time. Therefore, our ministry is likened to this type of ministry, where we speak only to Modern Day "Israel," God's Name People of our time - those who are a "people for God's Name - namely Jehovah's Witnesses. (Acts 15:14-17) Therefore our ministry is kind of like a special "emergency room" for all sincere Jehovah's Witnesses who desire assistance. In this "emergency room" setting we give immediate attention to special problem areas. We assist others to become "reconciled" to God and repent over past organizational errors in teachings and practices. We show scripturally where these are wrong.

End of Part 3

***Community Guilt" Upon All
Jehovah's Witnesses Explained***

Ezekiel Chapter 23

Part 4

The May 1, 1997 *Watchtower* article entitled "**No Peace for the False Messengers!**" makes the vital point that when a religious organization gives *active support* to political organizations, like the United Nations, they have willingly made themselves a part of the infamous "harlot" and "mother of disgusting things," namely "Babylon the Great" of Revelation 17th chapter. The article states:

"In the first place, what lies ahead for the world's false religions that have so often been extremely friendly with the UN? They are the offspring of one idolatrous fountainhead, ancient Babylon. Appropriately, they are described at Revelation 17:5 as "Babylon the Great, the mother of the harlots and of disgusting things of the earth."

Similarly, when religious organizations give "worshipful support" to the political governments, Jehovah's Witnesses believe they have received the infamous [666] "Mark of the Beast." The April 1, 2004 issue of the *Watchtower* page 7 states: "Thus, the mark, is a symbol that identifies its bearer as one who gives WORSHIPFUL SUPPORT to the beastlike political systems of the world."

Likewise, Jehovah's Witnesses believe that any who give "worshipful support" to the UN Organization have also received the [666] "Mark of the beast. The "Finished Mystery of God" Publication (1969) clearly states: "... So, then, if you worship the image of the wild beast" [United Nations] it automatically causes you to procure the Mark of the Wild beast." - See page 350 par. # 2

Therefore, the May 1, 1999 *Watchtower* article entitled "Let the Reader Use Discernment" made the following comment about the UN being the "Disgusting Thing" of Matthew 24:15, 16. It states: "So in 1919 'the disgusting thing' appeared. In time, the League gave way to the United Nations. Jehovah's Witnesses have long exposed these human peace organizations as DISGUSTING IN GOD'S SIGHT."

It is for these reasons we address issues of apostasy secretly committed by the leadership of the Jehovah's Witnesses, namely the 10-year United Nations NGO Affair of 1991-2001. A "sin" and "transgression" so heinous that when revealed, it threatens the continued existence of the nation itself, and requires National "Atonement" for "Reconciliation" with God. - Leviticus 4:3; 16:7-10

To qualify, prospective NGOs for the UN must **(1)** show that they share the ideals of the charter, **(2)** operate on a non-profit basis, **(3)** "demonstrate interest in UN issues and proven ability to reach large or specialized audiences" and **(4)** have the commitment and means to conduct effective information programs and provide wide publicity for activities of the UN.

Thus, to become a NGO [Non Governmental Organization] supporter for the United Nations, the organization must have the "means" to publicize UN activities. And these requirements, as shown in the charter, have not changed since 1968. And as mentioned above, the UN Charter states it is required for prospective NGOs to completely "share the ideals of the United Nations."

However, as reported by the "Guardian News", October 8, 2001: "By no stretch of the imagination could the Watch Tower Bible and Tract Society be considered to share the ideals of the UN charter unless you suppose that destruction of the UN by God is consistent with that charter." And anyone who is familiar with Watchtower Society literature knows that is not true at all.

-- Please see link provided from Guardian News (largest Newspaper in England) article on United Nations NGO secret affair and Governing Body of Jehovah's Witnesses involvement for 10 years kept secret, as well as the secret removal from UN-NGO status:

See Link: **[Guardian News Article On Watchtower Society As NGO](#)**

Actually, the Governing Body of Jehovah's Witnesses stated they became NGO supporters of the UN to obtain a "Library Card" pass of admission, so that they could have full use and access of the Library facilities of the UN. However if you check, you will find that no such requirement exists, nor ever existed, as explained by UN officials for the use of the UN Library facilities.

Please see Link: **[UNITED NATIONS LIBRARY INFORMATION](#)**

Instead, hard evidence reveals the Watchtower Society used their printed publications on a number of occasions (starting with the **September 8th, 1991 *Awake!***) to give praise, honor and recognition to the UN, as agreed upon to meet their obligation as NGO Supporters for the United Nations Organization. Thus, between the years of 1991 and 2001, articles continued to be written in this accord. -- ***See Footnote below.

Nevertheless, the June 1, 1991 Watchtower page 17 paragraph 11 specifically spoke against the Catholic Church becoming NGO Supporters of the United Nations Organization by saying: "No less than twenty-four Catholic organizations are represented at the UN." Thus, making the Catholic Church a "part of the world", and spiritual "adulterers" in God's eyes. - John 15:19; James 4:4

The same article went on to speak of various religions who practice such things as all being guilty before God. However, this article failed to mention, during all the time the WTS was condemning the Catholics and other religions for supporting the UN, that they themselves in 1991, had secretly applied to become NGO Supporters of the UN. They failed to tell this little known fact.

Nevertheless, it must be noted, the Watchtower Society was awarded wide acclaim by the UN for their

"secret" support, as in their writing the **November 22nd, 1998 *Awake!*** magazine special articles on the UN. These articles proved to be very similar to the **September 8th, 1991 *Awake!*** articles in extolling the virtues of the UN. -- ***See footnote below.

Please see link provided which shows Watchtower Society's submission of the **November 22nd, 1998 *Awake!*** magazine to the United Nations Organization as NGO Supporters, which was used in the celebration of the 50th Anniversary of the Universal Declaration of Human Rights, see second entry on this page, article entitled: *"A Long Job Finished"*:

See Link: **UN WEBSITE SHOWS ACTUAL *AWAKE!* MAGAZINE HONORED FOR NGO PARTICIPATION**

After numerous inquiries, the UN decided to issue a formal statement, a press release dated March 4, 2004, stating for the record the Watchtower Society, was a willing and completely informed NGO Associate-partner, between the years of 1992 thru 2001.

Yes, we believe Bible Prophecy is clear, namely that God's Name People, Jehovah's Witnesses as modern-day "Israel" [or "Jerusalem"] are thus to be "judged" and "disciplined" first by God before all others, since Godly judgment always "starts with the House of God," the city and people that are "called by My Name," says Jehovah. -- Jeremiah 25:29; Daniel 9:19; 1 Peter 4:17
