"Three (3) Simple Statements Of Belief"

So The Question is...

What Do YOU Think?

Please find below three (3) simple statements of belief that will make our position at the YORWW Bible Institute perfectly clear on our unique message. First, let's consider a very familiar key bible verse found at **Genesis 3:15**, which says:

"And I shall put enmity between you and THE WOMAN and between your seed and HER SEED. He will bruise you in the head and you will bruise him in the heel." -- New World Translation

Garden of Eden Scene

Otherwise, it would have been pointless to mention the predicted "enmity" was to be strictly between the "seed" of the Woman and the "seed" of Satan [Serpent]. If the "bruising" actions were to be between the Messianic Seed and Satan [Serpent], then why even bring up the "enmity" between the two "seeds" in the first place.

7) The Bible emphatically states Satan is to be destroyed by God, and not by the "seed" of the "Woman" or messiah. So the "seed" of the "Woman" does not "bruise" Satan or destroy him. (Romans 16:20)

Last But Not Least, As This Is The Most Important Of These Eight Points:

8) The name devil means "slanderer" or in Greek: Diabolos. So think, who was actually "slandered" in the Garden of Eden when Satan said Adam and Eve would NOT die after eating the forbidden fruit?" (Genesis 3:4) Was it Jehovah or was it Jesus -- which?

The answer is Jehovah God.

So, the primary enemy of Jehovah is Satan the Devil, more so than even Jesus.

No doubt, this is why the "Archangel Michael" refused to "rebuke" Satan and indicated this should be done ONLY ... only by Jehovah God Himself. [For that matter, no one knows what it would take to kill an angel or angelic force anyway, since this has never been done before. The bible only tells us that Satan's wicked life would be terminated by throwing him into the "lake of fire" and completely destroying him. Yes, only the Almighty Himself knows how to do this.] -- See Jude 9; Revelation 20:10.

Think about it!

THREE (3) SIMPLE STATEMENTS OF BELIEF ON THE ABOVE BIBLE PROPHECY FROM THE YORWW CONGREGATION

1. We firmly believe the "seed" of the Woman" spoken of above is NOT Jesus Christ.
2. We firmly believe this "Woman" that will bring forth this "seed" is Eve, the person Jehovah was referring to originally.
3. We firmly believe because the "Woman" is Eve, that the "seed" of Eve would have to be an imperfect (sinful) descendant of Adam and Eve.

Therefore based upon the above, we (YORWW Congregation) teach the world has made a major, enormous mistake in thinking the seed of the woman shown at **Genesis 3:15** applies to Jesus Christ. This is a critical mistake, in our viewpoint. We believe this misunderstanding has caused people to completely misunderstand the entire bible message, yes from Genesis to Revelation. In addition, we believe the things that we speak of, these three (3) simple statements above, unlocks the undiscovered, unrevealed "sacred secrets" from

God, that he has "reserved" (Isaiah 48:6 NWT) for his name people in the last days, as indicated at Revelation 10:7.

We must keep in mind when considering this important prophecy, namely **Genesis 3:15** that there are four (4) primary parties in this prophetic drama. These four (4) parties are respectively:

1. The "Woman" Eve.
2. Satan the Devil, in whom Jehovah was speaking to.
3. The Woman's "seed" or offspring [Messiah].
4. The wicked "seed" of Satan [apostate religious leaders (aka "the False Prophet") and rulers of nations who join together and fight as one against God's Kingdom on earth at "Armageddon" or "Har-Magedon." -- See Psalms 2:1-12; 1 Corinthians 15:24; Revelation 16:13-16.

Therefore we should properly understand the words of Genesis 3:15 this way,

"And I shall put enmity between you [the Devil] and the Woman [Eve] and between your seed and her seed. He [Woman's seed] will bruise you [Devil's seed] in the head and you [via Devil's seed] will bruise him [Woman's seed] In the heel."

Now to fully comprehend this powerful prophecy of **Genesis 3:15**, we must get a better understanding of when Jesus' heavenly reign actually begins and ends. To be sure in particular, the

Could the bible teach there are two possible Messiahs??? -- See Revelation 5:5

ENDING of Jesus' reign is most crucial to fully understand this prophecy. To that end we [YORWW Congregation] believe, 1 Corinthians 15:25, 26 provides that answer for us. Let's now consider those verses in **Part 2** of our article @ YORWW.com/3statements2.html .

Eight (8) Pivotal Points to Consider in Understanding Genesis 3:15

- 1) The Watchtower Society simply assumes the "Woman" cannot be Eve because she could not produce a perfect "seed." (But we can ask ourselves, does the "seed" need to be perfect to accomplish God's Will in this instance?)
- 2) If the "Woman" pictures the heavenly organization (as taught by the Watchtower Society), then her "seed" could NOT be Jesus because Jesus was created directly by Jehovah as His "only-begotten," and thus existed before any other spirit creature in heaven. And as we know, Jesus was responsible for the creation of the entire angelic family and so could not come from this group of angels, but instead they come from him. (John 1:18; Colossians 1:15, 16)

- 3) The Churches of Christendom who say the "Woman" is Mary, overlook the obvious fact if you say the "seed" comes through Mary, you are still saying that the "seed" still came from Adam & Eve. You can't separate that fact. -- See Genesis 4:25; 12:3; 17:5; 22:17, 18; 2 Samuel 7:11-15; Psalms 89:3, 4.

Further, if the "Woman" is Eve, Jesus could not be her "seed" or descendant because no imperfect human male was involved in his conception.

This of course means in medical terms, Mary was used ONLY as a "Surrogate" mother in giving birth to Jesus. -- Please see Part 3 of this article for more information on Surrogacy @ YORWW.com/3statements3.html

4) The foretold "enmity" spoken of in this verse is strictly between Satan and the "Woman" and then, between the "seed" of Satan and the "seed" of the "Woman." Isn't that true?

- 5) Since we know Satan's "seed" is earthly, so must the Woman's "seed" be also. Further, they must co-exist together on earth, in order for genuine "enmity" to be expressed between the two, as foretold.

- 6) Since the foretold "enmity" is between the two earthly "seeds," so must the accompanying "bruising" action be delivered to one another, on earth?
