

Unknown Facts About The "REPORT" Book

Today, our prophetic message has been expressed in book form and has been in existence for over **three (3) decades** or **thirty (30) years**. Thus, as a united congregation, the YORWW Congregation, we endorse and sponsor this written 3-volume dissertation, called **THE "REPORT"** (copyrighted 1994) which explains our views and belief system in greater detail. In the past, Volume I of this publication has been released in soft cover (6X9 size) and placed in various bookstores around the country and overseas and has been in circulation since the mid-1990s.

This book proved to be the very first publication on record to point out, biblically-speaking, what the three (3) main qualifications one must have to become "Israel" in God's sight.

- This book points out the nation of people must be a "people for God's Name," or one who glorifies Jehovah's Name, even **"CALLED BY GOD'S NAME."** To prove this critical point, please consider all of the following bible texts, very carefully in your own personal bible. (Please see Numbers 6:27, Deuteronomy 28:10, 2 Chronicles 7:14, Daniel 9:19, Jeremiah 25:29, John 12:28, 1 Timothy 6:1, and Hebrews 6:10.) In other words, they must become a "people for God's Name." (See Acts 15:14, Revelation 14:1.) No question, this book champions this quintessential point like no other book before in our time, implicitly and emphatically. Think about it!
- This book also shows two (2) additional points to becoming Modern-Day "Israel," in God's sight, namely the nation who represents Jehovah as "Israel" must be **"monotheistic,"** or have a One-God concept. They do not believe in a "Trinity" or have a Triune-god concept. -- Exodus 20:3; Deuteronomy 6:4; Isaiah 42:8
- Additionally to be acceptable to Jehovah, the nation must be truly **"iconoclastic"** [no images or idols permitted] in their belief system. As this book points out, there can be no doubt, Jehovah's Witnesses, have met all of these primary qualifications, of ultra-importance to Jehovah God, ever since **the year of 1931**. -- Exodus 20:4
- This book proved to be the very first publication in the world to publicly identify **Jehovah's Witnesses as Modern-Day "Israel" of bible prophecy, as of the year 1931**, because of voluntarily agreeing to carry God's Name upon themselves as a nation. -- See Numbers 6:27; Deuteronomy 28:10; Jeremiah 25:29; Daniel 9:19.
